

# MIKULÁŠSKÁ NADÍLKA U SVATÉHO MATĚJE

A colorful illustration of a snowy town square at night. In the foreground, three figures are walking from left to right: a devil with horns and a large sack, an angel with pink wings and a basket, and St. Nicholas in a white and gold robe holding a crozier. The background features snow-covered buildings with warm lights in the windows and a fountain in the center. Snow is falling from the dark sky.
